Maine Revised Statutes Title 20-A, Chapter 311, section 8101-A(3) states:

**Waivers.** Beginning with the 2012-13 school year, a school administrative unit (SAU) that did not operate a gifted and talented program in the 2011-12 school year may apply to the Commissioner for a one-year waiver of this requirement if full implementation of this requirement presents an undue burden. The Commissioner may grant the SAU a waiver upon receipt of an application from the SAU that includes the basis for the waiver request. Financial hardship is one criterion the Commissioner must consider in determining whether to grant a waiver. The Commissioner has the authority to grant a one-year waiver to a SAU and a one-year waiver extension. Any additional request for extensions must be submitted and reviewed on an annual basis.

**Please completely describe the basis for the SAU's one-year waiver request and further describe how the SAU is meeting the needs of the gifted and talented population in your district:**

As an island school of 30 (+/-) students, and having only two teachers full time (one for K-2 and the other for 3-5) having to hire a part-time gifted and talented person would put an undue hardship on our thin budget. Also, we are very able to individualize learning for our students, and we feel we are doing a great job meeting the academic needs of our students, at all levels of the academic spectrum, including the higher end.
